We need your help!

Our program still has a concert black closet for students who need concert black clothing for concerts.

As you go through your closets, please set aside any black clothes/shoes you would like to donate! Send it to school with your child or send an email to Ms. Farley Wilkie.

We appreciate all of your help with donations. Please know that these donations are also to help out when your student sizes out of their clothes! Just let us know if you need help with concert black!

WELCOME

Welcome to the monthly newsletter!

Each month you will get a newsletter delivered to your student in band class, as well as one dropped directly into your inbox. We also post the newsletter on our Facebook page (Mayo Middle School Music – District 95).

Please check the newsletter out each month to make sure you don't miss an important event or date! We are back to full speed ahead since COVID is *hopefully* in our rearview mirror.

As always, I am always willing to answer any questions or concerns as they arise. Please do not hesitate to reach out through email or a phone call if you need me!

Summer Band Recap

5th Grade Beginning Band:

We welcomed our newest band members over the summer. They did such a phenomenal job learning all about their instruments. I cannot wait to keep working together!

6th Grade Band:

6th graders attend a week of camp in addition to once-a-week lessons throughout the summer. They worked hard developing important fundamentals and are going to start the year strong!

7/8th Grade Band:

7/8th graders had a great week-long camp where they worked on the school song and marching fundamentals for the upcoming parades. They also had once-a-week lessons throughout the summer and worked hard to maintain their musicianship skills to really kickstart their year!
